

# Nokia 8390 Back Cover Replacement

This guide shows users how to remove the back cover.

Written By: Clinton

# INTRODUCTION

This guide shows you how to remove the back cover of the phone so that you can access internal components.

## Step 1 — Back Cover

- Locate the button on the bottom of the back cover.

## Step 2

- Depress the button with your finger.
- While the button is depressed, slide the back cover off of the phone.

To reassemble your device, follow these instructions in reverse order.
