

HP 15-g071nr Battery Replacement

This guide will demonstrate how to replace the battery in an HP 15-g071nr laptop.

Written By: Emerson Tatelbaum

INTRODUCTION

If your **HP 15-g071nr** laptop battery produces short use time, power issues, slow charge time, or even overheating, use this guide to safely and successfully replace the battery.

This three step guide is easy to follow and requires no tools to complete. Before following these steps, disconnect the device from any external power sources and power off the device completely.

Step 1 — Battery

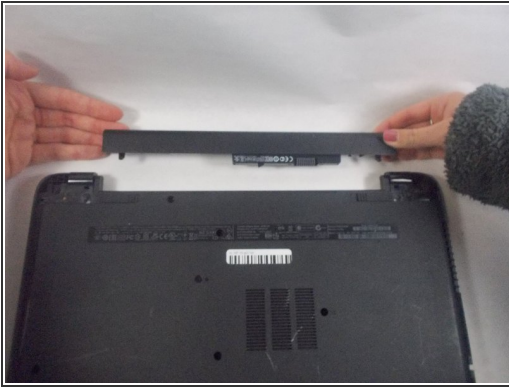

- Flip the laptop over so the bottom is facing upwards.

Step 2

- Press the tabs at the corners of the laptop at the same time to release the battery.

Step 3

- Pull the battery away from the laptop in one motion.

To reassemble your device, follow these instructions in reverse order.
