

# Motorola Q700 Sidekick Battery Replacement

Use this guide to remove and replace the battery of your Motorola Q700 Sidekick.

Written By: Rich

## INTRODUCTION

Over time, you may notice the performance of the battery on your Q700 degrades as it ages. If your battery life is no longer acceptable, follow these instructions to replace it.

### TOOLS:

- [iFixit Opening Tools](#) (1)

### PARTS:

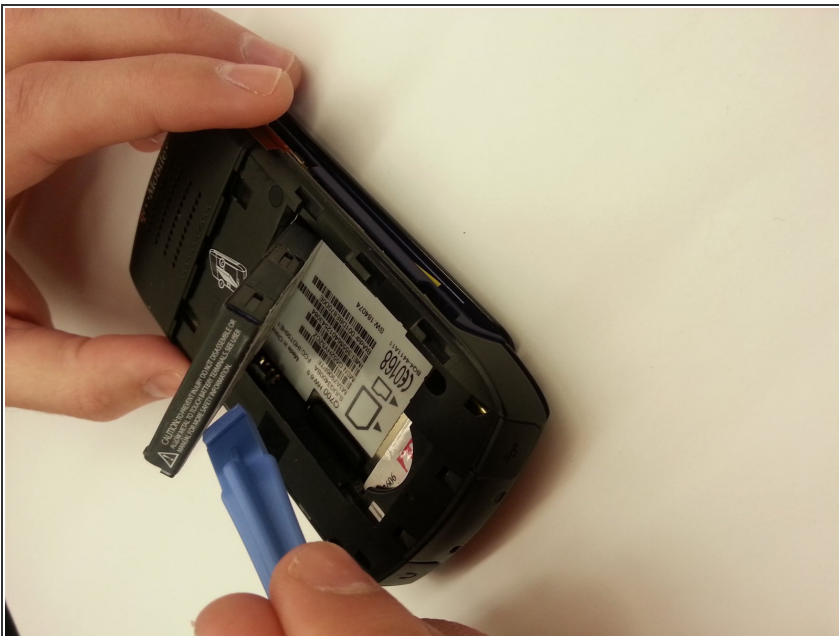

- [Replacement battery for Motorola V31](#) (1)

## Step 1 — Battery

- Remove the battery cover of this device by sliding it down and then lifting it up.

## Step 2

- Use the plastic opening tool provided in the toolkit to safely remove the battery.
- ⚠ Never use a metal tool to work with lithium-ion batteries, it may puncture and explode!

## Step 3

- Remove the battery from the device.

To reassemble your device, follow these instructions in reverse order.
