

Game Boy Advance Battery Replacement

Written By: Aldo Corona

INTRODUCTION

Changing the battery is a snap. It's all about tab-pulling.

Step 1 — Remove the Battery Cover/Batteries

- Take the battery cover off by releasing the locking tab and hinging the cover away. Remove the batteries inside the cover

⚠ Do not forget to remove the batteries! This applies to working with any electronic device as working with live electricity may damage the device or cause malfunctions

To reassemble your device, follow these instructions in reverse order.
