# Dell Latitude D820 Battery Replacement

Removal and replacement of battery

Written By: Elizabeth

INTRODUCTION
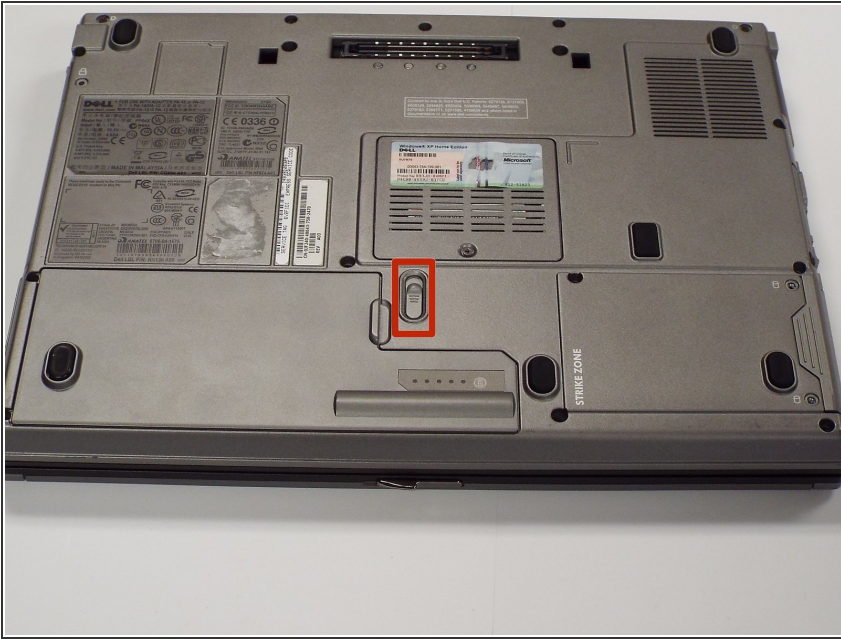

Removal and replacement of battery

⚙ PARTS:

- Dell Latitude D820 Replacement Battery (1)

Step 1 — Battery

- Remove the charger from the laptop.

- Turn the laptop over and locate the battery slide lock. Slide the switch and gently lift up the battery.

- If you are replacing other components, leave the battery out.

- If you are only replacing the battery, reverse the steps to install a new battery.

To reassemble your device, follow these instructions in reverse order.
